Santanna's Pennsylvania license number is **A-2017-2592811**.

Definitions: "**Natural Gas Distribution Company**" ("NGDC") means a state regulated natural gas utility which owns the gas lines and equipment necessary to deliver natural gas to the consumer. "**Natural Gas Supplier**" ("NGS") means an entity that sells or arranges to sell natural gas to customers that is delivered through the distribution lines of an NGDC. "**Commodity Charges**" means the charges for basic gas supply service which is sold either by volume (Ccf or Mcf) or heating value (dekatherms).

Terms of Service: These terms and conditions together with the Contract Summary, and if applicable, your signed written enrollment form, electronic online enrollment record or recorded telephonic voice recording confirming enrollment consist of the agreement for natural gas service between you and Santanna ("Agreement"). You acknowledge and accept the following terms and conditions as part of your Agreement with Santanna. As an NGS provider, Santanna will supply natural gas services as required by your NGDC. Your NGDC shall be responsible for transporting, distributing, and delivering the natural gas to you, and will continue to respond to all service calls and emergencies. Switching to an NGS will not impact your gas service reliability. Commodity prices and charges are set by the NGS you have chosen. The PUC regulates distribution prices and services. Some Santanna products may contain a fixed fee that applies to your bill each month and does not change with your consumption of natural gas. You may see this referred to as an administrative fee, administration fee, participation fee, or subscription fee.

Eligibility: This Agreement is for residential and small commercial customers in your NGDC service territory. By entering into this Agreement, you represent and agree that the account(s) served by Santanna under this Agreement is (are) residential account(s) and/or small commercial account(s), and the account information below is complete and accurate. Participation in the program is subject to the rules of your NGDC. Santanna's residential and small commercial customer products are not offered to large volume customers. Customers who have annual historical usage of greater than 3,000 therms are ineligible for these products. **Santanna reserves the unlimited right to terminate any customer contract at any time if Santanna discovers a customer's historical usage exceeds the amounts stated above.**

Initial Term of Service: Your service with Santanna will begin on a date set by your NGDC. You will receive notification from your NGDC confirming your service enrollment with Santanna. Once your service begins, your service will continue for the number of months specified in the attached Contract Summary ("Initial Term"), unless terminated earlier in accordance with this Agreement. You understand that occasionally there may be delays in the enrollment process under this Agreement and you will not hold Santanna responsible for such delays. During the Initial Term of this Agreement, you will pay Santanna for your supply service at the price set forth in the Contract Summary of this Agreement. This includes Natural Gas Commodity Charges and estimated Total State Taxes, but excludes distribution charges from your NGDC, applicable state and local Sales Tax.
